## The News As We See It!

### Client Appreciation Days:

As a way of thanking our current clients, we have scheduled 2 days in November for free 20 min. sessions. We will also be offering custom Christmas Cards from these sessions at cost.

### Santa Day:

This year Santa will be in the studio on November 7th. Santa welcomes the young and the young at heart! Last year's Santa day was a huge success and this year's schedule is filling up fast. Make sure you bring your Christmas list and letters!

### Free Holiday Session Day:

For anyone interested in holiday pictures without Santa, we have decided this year to have a Free Session Day on November 14th. We will keep our Christmas setup in the studio but also have a traditional setup available as well.
