

Studio News!

September 22, 2010

Our new downtown studio is OPEN!

We are so excited to have a studio in the heart of downtown! We are now located at 120A West 2nd Street between Gambrinus and Bee Bops in the newly renovated Smith-Werner Building.

Open House!

We will be having an Open House at our new studio on Friday October 1st from 4 p.m. til 7 p.m. We invite everyone to come in and take a look around. Light refreshments from The Famous Bistro will be served.

Possible Fall Picture Day!

We are considering a Fall Picture Day at Yellowcreek Park this year. The date would be Thursday October 14th. Please contact us ASAP if you're are interested.

Halloween Costume Pictures to benefit American Cancer Society!

We have teamed up with our neighbors Gambrinus Libation Emporium for Friday October 29th and Saturday October 30th. We will be offering Halloween themed pictures with all proceeds going to the American Cancer Society. Gambrinus will be having a costume contest, music and drink specials. We will be open late both nights handing out candy and taking pictures. This picture event is open to anyone wanting Halloween pictures of all ages. For a \$15 donation you will receive a 5x7 print. Remember that October is Breast Cancer Awareness Month and all proceeds will go to benefit this great cause.

Christmas with SANTA!

Santa will be here on November 6th!!! We are so excited to welcome him back again this year! Santa welcomes the young and the young at heart! Last year's Santa day was a huge success and we expect to be fully booked early this year. If you are interested, give us a call to get scheduled today. Make sure you bring your Christmas list and letters!
